Apply for funding now!

Do you need a little extra money to help offset the costs of current or future medical endeavors, such as research, public health work, professional travel, or community service?

Then consider applying to OSU's Medical Alumni Society for support! Each year the Society sets aside funds to help medical students achieve educational and public service goals. Group applications are accepted.

Each application will be judged according to the following criteria:
1) Quality of educational experience
2) Benefit to College of Medicine
3) Benefit to society
4) Cost-benefit of proposed project
5) Neediness and quality of budgeting
