Graduate School News

Biomedical Sciences Graduate Program Office Hours

Now that school is back in session, the office operating hours will be 8:00 am - 5:00 pm.
ATTENTION ALL BSGP STUDENTS - ACTION REQUIRED

Get Staff Compliant with Flu Vaccine/HIPAA CBL; Blitzes Start Sept. 9

- There are two important annual requirements for all employees of The Ohio State University Wexner Medical Center: getting a seasonal flu shot and completing the HIPAA CBL by Dec. 31.
- More information will be coming soon to all faculty and staff, and flu shot blitzes begin Sept. 9. See list of dates.

There Are Not 50 Shades of Gray When It Comes to Consent

What do tea and consent have in common? Find out

Revised sexual misconduct policy effective Sept. 1

Effective Tuesday (9/1), the Sexual Misconduct, Sexual Harassment and Relationship Violence policy will serve as a unified campus policy. It will replace the current sexual harassment policy entire Ohio State community, including faculty, staff, students and others. This policy represents a comprehensive effort to enhance the health, safety and well-being of our community.

Fall Student Poster Forum Volunteers

The Undergraduate Research Office is seeking postdocs and graduate and professional students in all fields to evaluate poster presentations at the Fall Undergraduate Research Student Poster Forum on Thursday (9/17). More than 250 students in all disciplines will showcase their summer research projects. This is not a formally judged event, but provides an opportunity to give students meaningful feedback from experts in their respective fields. If interested in judging, please fill out the online form at alpha.osu.edu/evaluatorregistration

Council of Graduate Students Delegate Elections

Are you a student leader interested in enriching the graduate student experience? Join the Council of Graduate Students and represent your fellow graduate students as a Delegate!

Delegates have an important role in the shared governance structure of the University and contribute substantially to the graduate experience through their positions. Aside from serving on the Council, delegates have the opportunity to serve on internal and external university committees that make important decisions and programming that affect the graduate student population.

The nomination period is now open and will end this Friday, September 4th, 2015.

To nominate yourself or a fellow peer as a delegate, please visit http://cgs.osu.edu/get-involved/
Delegate Application form is the first choice under "Get Involved" Navigation bar on the left.

The election period will be September 9-16th. An email reminder will be sent with the election link.

More information on the position of delegate can be found here: https://cgs.osu.edu/administration/delegates/

There are multiple ways to be involved in the Council of Graduate Students. See more at

**Job Announcement from Nationwide Children’s Hospital**

Looking for a new Post Doc with 0-2 years of experience after graduating with Ph.D.  
Job description:  
Works under the mentorship of an established CRI principal investigator to design experiments and develop protocols to conduct research examining the mechanisms of heart development
From the results of studies, helps to develop hypotheses for further investigation. Prepares technical materials such as abstracts, annual reports, scientific papers and presentations. Publishes articles in appropriate refereed journals. Works toward a goal of becoming independent in effort, and eventually obtaining external research funding. Appointment as a Post Doc is a maximum of 5 years in length.
