Grant Writing Workshop, September 9th

Grant Writing: An Introduction* will be held Tuesday, Sept. 9 from 5 - 7 p.m. in 400 Prior Hall.

The speaker for this event will be Jeff Agnoli, senior training and development specialist in Ohio State's Office of the Vice President for Research. He will review basic grant terms and parts of a grant proposal, help participants know and understand the solicitation cycle, show how to access funding opportunities and resources, organize and plan for grant writing and share common reasons for not being funded.

Jeff is responsible for research development efforts that include managing the internal nomination programs for Ohio State faculty and staff, assisting faculty and staff with identifying funding opportunities to support their research efforts, identifying interdisciplinary teams for large multidisciplinary research opportunities, programming and advising for more than 700 postdoctoral scholars and coordinating education and outreach efforts.

RSVP for this workshop. Pre-work for this session will be emailed to you upon registration. One unit of CME is available for those who attend.

Contact Amanda Postle, 292-0018, with any questions.

Graduate Students! Career and Internship Fair September 10-12

Graduate students from any graduate program are invited to Ohio State's first all-university career fair, Sept. 10-12 in the Ohio Union. This fair gives employers access to all Ohio State students--graduate and undergraduate. Encourage your graduate students to prepare. Have them take advantage of career resources in your program and college. They should also check out online resources available from Career Connection, Buckeye Careers, and the Versatile PhD. Face-to-face consultations are available in Career Connection.

Find the full list of workshops and resources here. Contact:

Nurse Line: Expanded Services

New in September, if you are injured at work or experience a blood and body fluid exposure, contact the 24/7 Nurse Line at 1-800-678-6269 and talk to a nurse about next steps.

We are pleased to announce that effective September 1, the university’s existing 24/7 Nurse Line will be offering enhanced services to all faculty and staff experiencing a work-related injury/illness or a blood and body fluid exposure. Staffed by Registered Nurses, the 24/7 Nurse Line provides confidential assistance at no cost to faculty and staff by answering health and medical information questions. Read more here.

If you have questions, please contact OHR's Integrated Absence Management and Vocational Services at 614-292-3439 or 1-800-678-6413.
