Congratulations Hans!
Congratulations to Hans Meisen, who recently received the Ohio State University Board of Trustees Student Recognition Award. Hans' academic and service achievements are outstanding, as stressed by Dean Funai, and the Board of Trustees will recognize Hans at the Board of Trustees meeting on November 7.

Hans is extremely passionate about cancer research and is interested in cancer immunology and the potential this evolving field has to create novel cancer therapeutics. Long term, Hans desires to be an independent investigator working to develop new, targeted cancer treatments. Congratulations again, Hans.

Complete the Financial Responsibility Statement

In order to find the Financial Responsibility Statement, go to BuckeyeLink.osu.edu. Before logging into the Student Center, under 'Accounts and Financial Aid' you will find the clickable link for the 'Financial Responsibility Statement'.

You must complete the financial responsibility statement before you can register for classes. Your record is updated immediately after you complete the financial responsibility statement. Visit http://ssc.osu.edu/pdf/student_view.pdf for more information.

BSGP Annual Retreat

Mark your calendar for the Biomedical Sciences Annual Retreat on Wednesday, December 10, 2014 from 8:15 am-3:30 pm. The Retreat will be held at Ohio State's Nationwide and Ohio Farm Bureau 4-H Center (across from the Schottenstein Center on campus); a continental breakfast and lunch will be provided. Students, please invite your mentor. Here is a detailed agenda for the retreat. Please RSVP by Friday, November 7th.

Other Information

International Insurance Requirement

Remind your students that they are required to enroll in supplemental insurance when travelling abroad. This includes travel for academic as well as co-curricular purposes.

Contact:
Office of International Affairs, 292-6101
Reminder: Ohio Residency Requirements and Applications for Extended Leave

Questions have come up regarding the State of Ohio's residency requirements. Students are typically prohibited from receiving Ohio residency if they have left the state for longer than 30 days in total or longer than two weeks at any one time during the 12-month review period.

However, students who are seeking Ohio residency and anticipate leaving the state for more than the allowed time for research or internships can apply to extend that leave allotment. Students can apply for extended leave by submitting an Approval of Non-Ohio Internships form to the Office of the University Registrar.
