Council of Graduate Students Delegate Elections

Are you a student leader interested in enriching the graduate student experience? Join the Council of Graduate Students and represent your fellow graduate students as a Delegate!

Delegates have an important role in the shared governance structure of the University and contribute substantially to the graduate experience through their positions. Aside from serving on the Council, delegates have the opportunity to serve on internal and external university committees that make important decisions and programming that affect the graduate student population.

The nomination period is now open and will end this Friday, September 4th, 2015.

To nominate yourself or a fellow peer as a delegate, please visit http://cgs.osu.edu/get-involved/

Delegate Application form is the first choice under "Get Involved" Navigation bar on the l

The election period will be September 9-16th. An email reminder will be sent with the election link.

More information on the position of delegate can be found here:
https://cgs.osu.edu/administration/delegates/

There are multiple ways to be involved in the Council of Graduate Students. See more at cgs.osu.edu.
