First Year Students: Lab Rotation Meeting Minutes Due August 8

As you are finishing up your first rotation, keep in mind that you need to complete the Lab Rotation Meeting Minutes Form. This form can be found on the website here or in your student handbook. You will not receive a grade for your rotation until this form is completed and returned. Please return it no later than Wednesday, August 8. Contact the office if you have any questions.

Graduate School News and Events

Maximum Credit Hours Without Graduate School Approval Now 18

The Registrar has implemented the Graduate Council’s change in the maximum number of credit hours that graduate students may enroll in per semester without approval of the Graduate School. The maximum credit load has been raised to 18 hours per semester for autumn and spring semesters. The maximum credit load for the current summer session is 8 hours, and consideration is being given to increasing that maximum for summer 2013. The maximum credit load for May session
remains at 4 hours. If you have any questions contact: Shari Breckenridge, 292-6031.

K. Patricia Cross Future Leaders Award

The K. Patricia Cross Future Leaders Award recognizes graduate students who show exemplary promise as leaders of higher education, whose work reflects a strong emphasis on teaching and learning, and who demonstrate a commitment to developing academic and civic responsibility in themselves and others. **Eligibility criteria and nomination process** Deadline: October 1, 2012. Contact Suzanne Hyers, (202) 387-3760, with any questions.

Other News and Events

Course Offerings in Biomedical Informatics

See the attached flyers for *Introduction to Imaging Informatics (BMI 5720)* and *Introduction to Biomedical Informatics (BMI 5710)*. Both of these courses will be offered this coming Autumn Semester.

Planning Ahead for the Academic Job Search

This series of events addresses many aspects of the search process for jobs in academia. You are welcome to attend all sessions or just the ones that fit your needs and schedule. Classes are Wednesdays in September, 2:00-4:30pm in room 150 of the Younkin Success Center

**The Academic Job Search**
Wednesday, September 5

**Vitae and Cover Letters**
Wednesday, September 12

**Teaching and Research Statements**
Wednesday, September 19

**The Interview**
Wednesday, September 26

Contact Kerry Hodak at khodak@studentlife.osu.edu with questions.

Post-doctoral Position Available

There is a Post-Doctoral Position in Neuroimmunology and Systems Neuroscience available at the National Institute of Mental Health Division of Intramural Research Programs, NIH Campus, Bethesda, MD. **See the attached flyer** for more details.

Parking Changes in the Polo Lot Beginning August 13

Beginning Monday, August 13, 2012, all "C" parking spaces in the Polo Lot, located west of Cannon Drive, will be changed to "B" parking to help reallocate parking spaces impacted by garage closures for maintenance.
and other upcoming improvements to the parking system. Alternate remote parking options are available on West Campus and in the Buckeye Lots, located off of Ackerman Road and Fred Taylor Drive. CABS operates shuttles 24/7 from West Campus during academic semesters (excluding university holidays) and provides 24 hour service Monday - Friday from the Buckeye Lot. For additional information, please click here.

**9th Avenue Parking Garage Changes**

As of July 27, BG2 and CG2 keycards have been relocated to the 9th Avenue West Garage and will no longer have access to the 9th Avenue East Garage. BG2 and CG2 permit holders should park above level 5 in the 9th Ave West garage to allow patients and visitors to park more closely to their destinations.

**Transportation to the Buckeye Lot Available 24 hours a day**

Can't find a parking spot? Consider the Buckeye Lot option for quick and easy access to your workplace. CABS will operate a continuous shuttle 24 hours a day (Monday through Friday) from the Buckeye Lot to the Medical Center between Aug. 1 and Dec. 31 while the 12th Avenue Garage is closed for restoration.

Anytime the Med Center Express does not run (weekends and holidays), CX permits will honored in the parking lot west of Cannon Drive.

For additional information, view a map for the Med Center Express.

**Tunnel to Cramblett and Dodd Closing August 6**

The underground tunnel from Cramblett Medical Clinic to Dodd Hall and Davis Center will close on Monday, August 6, in preparation for demolition of Cramblett Hall later this year. Pedestrians will need to use above ground routes to get to Dodd or McCampbell from other areas of the Medical Center. View the attached map of other underground tunnels.

**Fun Fact**

**Owens Wins 4th Gold Medal**

On August 9th at the 1936 Berlin Olympics, African American track star and Ohio State Buckeye Jesse Owens won his fourth gold medal of the Games in the 4x100-meter relay. His relay team set a new world record of 39.8 seconds, which held for 20 years. Read more here.
