For the Week of July 16, 2012

News and Events

New Course: Signal Transduction in the Immune System

Course: INT MED 8891.01
Credits: 1
Call No: 158816
Class Design: Journal club. Discussion of current literature focusing on: Signal Transduction in Inflammation and Immunobiology
Time: Wed 3:00-4:00 PM
Location: 160 HLRI
Grading: AA, B+, B, B-, C+, C, C-, D+, D, OR E
(Class presentation 60%; participation/discussion 40%)

Instructors: Susheela Tridandapani, PhD (tridandapani.2@osu.edu)
Natarajan Muthusamy, PhD (muthusamy.1@osu.edu)
Student Coordinator: Devyn Gillette (Devyn.Gillette@osumc.edu)

New Course: Molecular Virology and Pathogenesis of Viruses
See the attached poster concerning a new molecular virology class for fall semester. This class folds in 3 previous virology graduate courses and now will be offered annually in Fall Semester. (This is a required course for the Molecular Virology and Gene Therapy area of emphasis).

Registration Information for Buckeye Alert

In light of last week's incident including a derailed train near campus, you may want to take advantage of OSU's Buckeye Alert System. This is a multi-modal emergency notification system that includes nearly two dozen different communication methods. Information for student, staff, and faculty registration can be found at: http://buckeyealert.osu.edu/

Volunteer at BuckeyeThon 2013

BuckeyeThon is Ohio State's largest philanthropy that benefits the Hematology/Oncology Department at Nationwide Children's with the ultimate goal of ending childhood cancer. This past year, BuckeyeThon 2012 reached a new level of success with their main event, a dance marathon, lasting 12 hours and raising over $450,000. This year, BuckeyeThon will be bigger than before, containing two 12-hour shifts! The first shift is from 8:00pm February 8, 2013 until 8:00am February 9, 2013. The second shift is February 9, 2013 from 11:00am until 11:00pm. Visit go.osu.edu/bt, view this video, or contact Marla Trinidad at trinidad.12@osu.edu for more information.

Fun Fact

Disneyland Opens 57 Years Ago

On July 17, 1955 the $17 million theme park, Disneyland, opened. The park was built on 160 acres of former orange groves in Anaheim, California, and soon brought in staggering profits. Find out what happened on opening day here.
