Biomedical Sciences News and Events

OSU Parking Passes

Some Biomedical Sciences graduate students have experienced difficulty in purchasing their 2012-2013 OSU Parking Permit. Traffic and Parking has now completed coding and re-coding of student records in their database so that GRAs and Fellows can purchase a B permit (or a C permit, if preferred). Traffic and Parking apologizes any confusion.

Other News and Events

University of Michigan Postdoc Preview

The Postdoc Preview for the University of Michigan Medical School (UMMS) will be held on October 25-27. This will introduce selected upper-level graduate students in the biomedical sciences to the breadth and excitement of postdoctoral research and training at Michigan and allow them to interview with prospective postdoctoral mentors at the UMMS. All
expenses are paid, including domestic travel, lodging and on-campus meals. The deadline to apply is **August 1**.
For additional information visit [www.med.umich.edu/postdoc/preview](http://www.med.umich.edu/postdoc/preview) or [view the flyer here](http://www.med.umich.edu/postdoc/preview).

**Life Sciences Network Newsletter**

The Life Sciences Network serves faculty, graduate students, and others who are advancing research in the life sciences at Ohio State. You can view their [latest newsletter here](http://lsn.osu.edu) or find more information on their website: [lsn.osu.edu](http://lsn.osu.edu)

**Fun Fact**

**First Six Flags Opens**

On August 1, 1961 the first **Six Flags** opened in Texas. The park pioneered the concept of all-inclusive admission price; until then, separate entrance fees and individual ride tickets were the standard. During its opening year, a day at Six Flags cost $2.75 for an adult and $2.25 for a child. [Read more here](http://www.sixflags.com/).
