Final call for Judges: 12th Annual OSUWMC Trainee Research Day

This is the final call for Judges for the 12th Annual OSUWMC Trainee Research Day on Thursday, April 11, in the Biomedical Research Tower.

Faculty members with students presenting at Trainee Research Day are expected to serve as judges for other student presenters. However, all College of Medicine faculty and research scientists are encouraged to participate as volunteer judges by registering online using the Judge’s Submission Form prior to March 15.

The success of this day depends on the participation of faculty who are willing to volunteer their time to serve as Research Day judges for more than 400 trainees from among our postdoctoral fellows and researchers, clinical residents and fellows, graduate students, medical and MD/PhD students, and undergraduate students. Direct any inquiries to researchday@osumc.edu.
