

## The Ohio State University Wexner Medical Center

### Family Medicine Physician | The Department of Family Medicine

The Ohio State University Wexner Medical Center is seeking part-time and full-time, board-certified/eligible family medicine physicians to join our team. Our Department is currently home to 83 faculty members, 6 fellows, and 27 residents; however, we continue to grow annually. Our diverse department includes sports medicine, occupational medicine, integrative medicine, behavioral health, and health service researchers in addition to family medicine. Additionally, we have two residency program sites with faculty who cover inpatient service at University Hospital East; prenatal and maternity care including delivery as well as geriatrics services. Our faculty is involved in medical student education through practicum lectures and rotations through the clinics. Our family medicine practices are part of Comprehensive Primary Care Plus through the Center for Medicare and Medicaid and are PCMH level 3 recognized. Additionally, our family medicine practices are staffed with dietitians, behavioral health specialists, social workers, pharmacists, medical assistants, and nurses as part of the team. Opportunities range from 100% outpatient to a variety of responsibilities depending on experience. OSU offers competitive salaries and benefits commensurate with qualifications.

#### Qualifications:

- Successful completion of Family Medicine residency training
- Board Certified or Eligible
- Eligible for State of Ohio medical license

#### Environment & Culture:

The Ohio State University along with its academic partner the Ohio State University Wexner Medical Center is located in Columbus, Ohio, the state capitol and the 14th largest city in the United States. From historic communities and suburban living to college crowds and nightlife, Columbus is a friendly Midwestern town with metropolitan style. The city is renowned for its leading technological companies, vast academic resources, thriving industry, an eclectic mix of entertainment, dining and shopping, and easily accessible opportunities for sports and recreation for participants and fans alike. The University and Medical Center are home to an exciting, growth-oriented culture of innovation and discovery.

The Department of Family Medicine is led by Dr. Nwando Olayiwola, as Chair. The department has more than 100 faculty members, residents, and fellows who specialize in family medicine, integrative medicine, women's health, geriatrics, sports medicine, and transgender health.
