## Join us for the 2021 Diabetes Education and Research Update

*Featuring cutting edge research, pharmacology, and technology*

**Thursday, October 21, 2021**  
6 – 9:00 PM

**The Ohio Union**  
Archie M. Griffin Ballroom  
1739 N High St.  
Columbus, Ohio 43215

The Diabetes Education and Research Update will focus on highlights from the past year of innovative research and what's in store for the future at the Diabetes and Metabolism Research Center (DMRC). The evening will be emceed by the delightful **Angela An - of WBNS-10TV**, and will include a keynote presentation, fabulous food, and a silent auction. **Nicole Johnson, former Miss America and diabetes expert** will join us to give a special presentation! **Dr. Willa Hsueh**, Director of the Diabetes and Metabolism Research Center, will provide a diabetes research update including new and exciting studies from the lab and the clinic as well as new technology, funding, and faculty!

**RSVP by Sept 20, 2021** to 614-685-3349 or [Patrice.Ivery@osumc.edu](mailto:Patrice.Ivery@osumc.edu)

**~ Masks Required ~**

*All proceeds from the dinner will fund important research conducted by The Ohio State University Wexner Medical Center Diabetes and Metabolism Research Center.*
