ABOUT NATIONWIDE CHILDREN’S HOSPITAL

**OUR MISSION**
Nationwide Children’s Hospital is committed to providing the highest quality care to all children and their families, regardless of ability to pay:

- Patient Care
- Advocacy for children and families
- Pediatric Research
- Education
- Outstanding Service to accommodate the needs of patients and families

**OUR VISION**
Best Outcomes in everything we do, together delivering the best health care for children.

**OUR GUIDING PRINCIPLES**
As One Team where **Everyone** Matters:

**Do the right thing**
- We always act with integrity and honesty
- We are collaborative, respectful and inclusive of everyone

**Create a safe day every day**
- We make patient and employee safety our personal commitment
- We communicate clearly and completely
- We routinely seek input from others and always support our colleagues

**Promote health and well-being**
- We balance work and life demands
- We generate compassion, optimism and energy in one another
- We advance our health, and the health of our community

**Are agile and innovative**
- We embrace and manage change
- We foster a streamlined and entrepreneurial environment
- We generate and share new knowledge and ideas

**Get results**
- We’re accountable (we do what we say we’ll do)
- We’re determined (we get the desired result)
- We’re committed to constant improvement
- We leverage our diverse strengths

**How we’ll get there:** Our vision remains unchanged. We aspire to create the best outcomes for children everywhere. This means families come to Nationwide Children’s Hospital knowing they will get the highest quality care. It means we will reach to cure rare diseases. It means we will sequence your child’s tumor to select the best care pathway. It means we will strive to make an entire population healthier, not just through their physical health, but also in their mental health. It means we will redefine the role of the children’s hospital in the achievement of optimal health.

**Best people:** Our staff is the driving force that will make this happen. Every person has a role in this.

**Best programs:** Our world-class programs will be the foundation for our success.

**What does success look like?** We will create the nation’s most comprehensive, integrated pediatric healthcare delivery system. Families will seek us out for the highest quality health care and research. And we will deliver results that have a lasting impact on the long-term health of the children we treat and children everywhere.
