

# OSU Department of Radiology

## Underrepresented in Medicine Visiting Student Scholarship

---

In addition to the Office of Diversity and Inclusion URiM scholarship, The Ohio State University Wexner Medical Center Department of Radiology invites fourth-year medical students from groups historically excluded or underrepresented in medicine interested in pursuing a career in Radiology or their subspecialties to apply for our visiting student scholarship program. Please note, this program offers only Radiology experiences.

A \$2,000 scholarship is available for one Diagnostic Radiology applicant and one Interventional Radiology applicant. If selected, half (\$1,000) of the scholarship will be made available prior to your start date with the other half made available after the successful completion of your Radiology experience. This scholarship is intended to help defray the cost of travel and lodging for your in-person experience. (Note the OSU Department of Radiology is not responsible for making any of these arrangements.)

### Eligibility for Department of Radiology scholarship for students from historically excluded groups:

- Applicants must have applied for a visiting student experience through the College of Medicine [VSLO platform](#).
- Applicants must simultaneously apply for a scholarship through the [Office of Diversity and Inclusion](#) to be considered for a Department of Radiology visiting student scholarship. Letters of recommendation can be used for both applications.
- Applicants must be in good academic standing and must have completed all core clinical clerkships with passing grades by the start of the OSU rotation.

### A completed Department of Radiology application includes:

- Visiting Student Elective Scholarship Program online [application](#)
- To be emailed separately to Matt Lang at [matthew.lang@osumc.edu](mailto:matthew.lang@osumc.edu):
  - Most current Curriculum Vitae (remember to include relevant distinctions, e.g. honors or high pass)
  - Letter of Recommendation from Radiology faculty member **OR** Clerkship Director **AND** home institution Assistant or Associate Dean.
- Incomplete applications will not be considered.
