Second Look Weekend 2016
April 15-16, 2016

Schedule

Day One
Friday, April 15

* Register and enjoy brunch with college staff and students.
* Receive a warm welcome from college leaders and learn about some of the benefits of being an Ohio State University medical student.
* Get a closer look at the college’s Lead.Serve.Inspire Curriculum and learn about opportunities in global health.
* Break into groups to tour Ohio State’s Medical Center facilities, and try your hand at some clinical procedures in our state-of-the-art Clinical Skills Education and Assessment Lab.
* Meet with a member of the college’s financial services office and find out how to reduce costs after the first year of medical school by becoming an Ohio resident.
* Lunch and chat socially with students and faculty to get an inside view of the college and its culture.
* End Day One with dinner at the Ohio Statehouse Rotunda in downtown Columbus.

Day Two
Saturday, April 16

* Start the day off with a buffet breakfast at Nationwide Children’s Hospital, one of America’s largest pediatric health care and research centers, mingle with our current residents in pediatrics and hear from Nationwide Children’s leadership.
* Learn about residency placement and Ohio State’s track record.
* Tour the Medical Center facilities and some interesting spots on Ohio State’s campus.
* Enjoy a relaxing lunch while listening to the Medical Student Symphony Orchestra.
* End the day attending a session on diversity and inclusion led by leaders in some of the college’s diverse student groups, including the Student National Medical Association; Lesbian, Gay, Bisexual, Transgender and Allies Issues in Medicine; Latino Medical Association; Asian Pacific American Medical Student Association; Islamic Professional Student Association; and Women n Medicine.
