3 women and 3 men are needed from 2:15-3:00 pm AND 5:30-8:30 pm as Student Escorts and Dinner Hosts (Free dinner provided)

Annual Flu Shot Compliance

All faculty and staff must comply with the seasonal flu vaccine policy each year by Saturday, Dec. 1. Compliance with the seasonal flu policy is nondiscretionary and applies to faculty, staff and paid students of The Ohio State Wexner Medical Center, including The Ohio State University Comprehensive Cancer Center - Arthur G. James Cancer Hospital and Richard J. Solove Research Institute and the College of Medicine and Health Sciences.

Flu vaccinations will be available starting Thursday, Sept. 20 through Thursday, Nov. 27. Read more information about dates/locations/times.

As a faculty or staff member, you have the following flu vaccine options:

- Get vaccinated at an Ohio State Wexner Medical Center flu shot blitz, by your unit's ambassador or at University Health Services (201 McCampbell) during regular business hours. This is the easiest and quickest way to become compliant because no documentation is required.
- Get vaccinated with your provider or at another location. Even if you have an Ohio State provider, you must take the Influenza Vaccination Documentation/Exemption Form for your provider to complete and return it by Thursday, Nov. 15. In addition to the form, you must also provide your receipt as proof of vaccination.
- Claim a medical or other exemption. Complete and return the Influenza Vaccination Documentation/Exemption Form and this year's influenza CBL by Saturday, Dec. 1 to be in compliance. See step-by-step
instructions for being in compliance when you claim medical exemption or other exemption.

Once you have completed your annual requirements, please make sure to check your compliance status online by logging onto your Employee Compliance site. Noncompliance beyond the deadline will result in corrective action and loss of computer access.

New online sexual misconduct prevention education for students

Our first priority is promoting a safe and healthy campus for all members of our community. To advance a culture of respect and care for others, the university is launching mandatory online sexual misconduct prevention education for all faculty, staff and students. Students will receive an email with instructions to complete the course. Visit Ohio State’s Title IX website for more information.

BSGP Authorship Guidelines

Publication guidelines for OSU (attached here) cover whether an individual should be included as an author for a manuscript. The BSGP graduate faculty recently adopted general guidelines about authorship; these guidelines are intended to be general and may not cover every specific situation. These guidelines are included in the BSGP Handbook as Appendix R.

6th Annual CCTS Meeting

Tuesday December 4th, 2018 | 7:30 AM-5:00 PM
Ohio Union

The CCTS works to bring the life-saving discoveries of today into the health diagnostics and treatments of tomorrow.

This year’s theme is **Teaming Up on Science for a Healthier Ohio.** Listen to experts in addiction, opioid use disorder, Ohio’s health initiatives, team science, and more.

Join in the conversation as keynote speaker, Richard Harris, an award-winning NPR journalist and author of the book, *Rigor Mortis: How Sloppy Science Creates Worthless Cures, Crushes Hope, and Wastes Billions*, discusses the importance of rigor and reproducibility in science.

Come learn about translational science and how the CCTS can support your research. Stay for facilitated table talks, networking, posters, and thought-provoking conversation about Ohio’s most pressing health issues.
