Title: Viral-Immunology Positions  
Institution: University of Pennsylvania  
Location: Philadelphia, PA  

PI: Carolina B. Lopez, Ph.D.

Postdoctoral positions are available in the laboratory of Dr. Carolina Lopez at the University of Pennsylvania, Philadelphia, USA. The laboratory investigates the innate immune response to respiratory virus infection. Visit the laboratory website www.lopezlab.org for more information and publications. Candidates must have a recent Ph.D. and/or M.D., a record of productivity, and strong background in virology and/or immunology. The selected applicant must be highly motivated and have expertise in handling mice. Expertise in molecular biology, and flow cytometry is highly desirable. Projects will be determined based on the candidate’s interest and experience.

Proficiency in reading, writing, and speaking English is essential. Academic record must be outstanding.

Review of applicants will begin immediately.

Please visit http://www.med.upenn.edu/postdoc/ for information of the University of Pennsylvania Postdoctoral program.

To apply: Interested candidates should send a cover letter, curriculum vitae and name and contact information of three references to: lopezca@vet.upenn.edu.
