

2018 Autumn

Postdoctoral

Recruitment Event

OCTOBER 22 – 24

The Office of Postdoctoral Research at The Ohio State University College of Medicine is excited to announce the 2018 Autumn Postdoctoral Recruitment Event! This event is a collaboration with the Pelotonia Fellowship Program and the Research Institute Training Office at Nationwide Children's Hospital.

This event will provide an excellent opportunity for outstanding PhD students from leading graduate programs to meet our research faculty, interview for open postdoctoral positions, and discover the exciting and innovative research taking place at The Ohio State University and the Research Institute at Nationwide Children's Hospital.

HIGHLIGHTS:

- Fully funded travel expenses
- Visit the Ohio State University Campus and learn about what Columbus has to offer
- Network with current postdocs from OSU and Nationwide Children's Hospital (NCH)
- Present your research to faculty
- Interview with prospective mentors to discuss postdoc research opportunities at OSU and NCH

Application for this event is open to senior graduate students who have completed or expect to complete their PhD between January 2018 and June 2019. We especially encourage participation by training grant-eligible U.S. Citizens and permanent residents who are underrepresented in the biomedical sciences including African Americans, Hispanics or Latinos, American Indians or Alaskan Natives, Native Hawaiians or other Pacific Islanders, or persons with a disability.

For complete details and application instructions, please visit

go.osu.edu/postdocrecruit.

Completed applications are due by August 31st 2018.

"The postdoc recruitment event at OSU was a great opportunity to meet with multiple PIs within the same institution, and it took a lot of the stress out of interviewing for postdoc positions. As a result of this event I was able to get a position in a great lab doing research that interests me."

Danielle Huk, PhD
Postdoctoral Researcher
OSU College of Medicine
