

2019 Fall

Postdoctoral

Recruitment Event

October 23 - 25

The Office of Postdoctoral Research at The Ohio State University College of Medicine is excited to announce the 2019 Fall Postdoctoral Recruitment Event! This event is a collaboration with the Pelotonia Fellowship Program and the Research Institute Training Office at Nationwide Children's Hospital.

This event will provide an excellent opportunity for outstanding PhD students from leading graduate programs to meet our research faculty, interview for open postdoctoral positions, and discover the exciting and innovative research taking place at The Ohio State University and the Research Institute at Nationwide Children's Hospital.

HIGHLIGHTS:

- Fully funded travel expenses
- Visit the Ohio State University Campus and learn about what Columbus has to offer
- Network with current postdocs from OSU and Nationwide Children's Hospital (NCH)
- Present your research
- Interview with prospective mentors to discuss postdoc research opportunities at OSU and NCH

Application for this event is open to senior graduate students who have completed or expect to complete their PhD between December 2018 and May 2020. Any graduate students in the US (visa status does not matter) can apply and we are especially interested in reviewing applications from US Citizens and permanent residents who are training grant-eligible and/or who come from underrepresented backgrounds including African Americans, Hispanics or Latinos, American Indians or Alaskan Natives, Native Hawaiians or other Pacific Islanders, or persons with a disability.

For complete details and application instructions, please visit go.osu.edu/postdocrecruit.

"The postdoc recruitment event at OSU is an excellent opportunity to meet and interview with different PIs from different research fields not only from OSU but also from Nationwide Children's Hospital. It allowed me to meet new friends and to get a position in a great lab doing research that fascinates me"
