“MD Camp was educational and fun – and I am definitely convinced I want to go to medical school.”

“This has been a great, exciting first camp of my life.”

“Shadowing was great!”

“A lot of the activities, like the OSCE [testing] and lectures, make me feel what the life of a medical student is.”

“The counselors were great at creating connections with the students.”

“It is the highlight of my summer, and I want to pursue medicine now more than ever.”

“I will remember this for the rest of my life.”
